

Advertise on our Happy Birthday, Marine Corps Ad!

We invite your company to show its support of the Marine Corps by including your logo in our "Happy 245th Birthday, Marine Corps" two-page ad spread which will be printed in both the November 2020 editions of our Marine Corps Association & Foundation's Leatherneck and the Marine Corps Gazette magazines.

Both editions will contain the Commandant's annual Birthday Message, making November one of the highest read issues of the year.

For just \$175, you can have your corporate logo included in both publications letting the Marines know you appreciate all that they do for our country. Our November 2019 "Happy Birthday, Marine Corps" ad is displayed here:

If you prefer, you could run an ad of your own – either wishing the Marine Corps a special Happy Birthday or just delivering a message about your company. For our November issue, we are offering very special pricing per magazine - \$2,500 for a full-page ad (over 40% off the lowest rate card pricing) or \$1,500 for a half-page ad. Or for \$596, you can purchase a 1/6 page ad. The Marine Corps leadership reads our publications from cover-to-cover every month.

Other information on our publications can be found at:

<https://mca-marines.org/advertising/>.

We can create an ad for you or you can provide your own camera-ready advertisement.

The November issue deadline for inclusion in the Birthday ad is 1 September. The deadline to run your own ad will be 25 September.

- Yes, I'd like to purchase a birthday ad in both magazines for \$175.00. Payment is attached below.
- I'd prefer to buy both the birthday ad and a separate ad. Please send me more information.
- I'd prefer to just purchase a separate ad for my company. Please send more information.
