SERVING MARINES AROUND THE WORLD

HAPPY BIRTHDAY MARINES

For the last 245 years the Marine Corps has fought in every clime and place, and while there are nearly 200,000 Marines actively serving today, the birth of the world's greatest fighting force was witnessed by only a few.

Regardless of how small or large your celebration is this year, The Marine Shop is here to help ensure it passes muster. We haven't wavered in our commitment to providing you with the best supplies and customer service. In addition, every purchase you make helps the Marine Corps Association & Foundation support today's Marines through professional development, the recognition of excellence, and preservation of the Corps' history and traditions.
