

It's Never Too Early to Reserve Space in the 2022 Marine Corps Birthday Ad!

We invite your company to show its support of the Marine Corps by including your logo in our "Happy 247th Birthday, Marine Corps" two-page ad spread which will be printed in both the November 2022 editions of our Marine Corps Association Leatherneck and the Marine Corps Gazette magazines.

Both editions will contain the Commandant's annual Birthday Message, making November one of the highest read issues of the year.

For just \$175, you can have your corporate logo included in both publications letting the Marines know you appreciate all that they do for our country. The digital editions also contain your website link.

Here is a copy of last year's ad:

If you prefer, you could run an ad of your own – either wishing the Marine Corps a special Happy Birthday or just delivering a message about your company.

For our November issue, we are offering very special pricing per magazine - \$2,500 for a full-page ad (over 40% off the lowest rate card pricing) or \$1,500 for a half-page ad.

Or for \$595, you can purchase a 1/6 page ad.

The Marine Corps leadership reads our publications from cover-to-cover every month.

Other information on our publications can be found at:

<https://mca-marines.org/advertising/>.

We can create an ad for you or you can provide your own camera-ready advertisement.

The November deadline is 22 September.

Contact Valerie at v.preletz@mca-marines.org or at 703 640 0107
