Modern Day Marine Logo Ad!

Modern Day Marine
June 27 – 29, 2023
Washington Convention Center

Your company is invited to participate in our Modern Day Marine Logo / Booth advertisement. This will be printed in both the June 2023 editions of our Marine Corps Association Leatherneck and the Marine Corps Gazette magazines.

We want to help provide your booth with greater exposure by reaching out to our members in this ad.

For just \$175, you can have your corporate logo included in both publications along with your booth number. The digital editions will also have a link to your website.

PLEASE VISIT OUR BOOTHS AT THE MODERN DAY MARINE EXPO. WE LOOK FORWARD TO SEEING YOU THERE!
