

Mr. Joseph Gerace

Mr. Joseph “Joe” Gerace enlisted in 1991 and was trained as a Ground Radio Repairman. He retired in 2021 as a Master Gunnery Sergeant after nearly 30 years of active duty and reserve service. Mr. Gerace entered federal service in 2007 with the MARSOC G-6 as a C4 Requirements Manager. In 2008, he assumed his current duties as a C4 Program Analyst with the MARSOC G-68, C4 Systems Sustainment and Integration Branch.

He currently serves as a Command, Control, Communications, and Computers Program Analyst with the MARSOC G-6. As a C4 Program Analyst, Mr. Gerace is responsible for the identification, development, validation, resourcing, fielding, and sustainment of C4 requirements in support of MARSOC operations.

Mr. Gerace is a Defense Acquisition Professional and DAWIA level III certified in both Program Management and Information Technology. He is a graduate of the SOF Civilian Leadership Development Program (CLDP) and is a certified PMP, CISSP, and ITIL V3 Expert.
