

# The Marine Corps Association Foundation invites you to attend and sponsor the 2019 Golf for the Marines Golf Tournament.

The Golf for the Marines Golf Tournament will be held on Monday, October 21, 2019 at the Club at Creighton Farms in Aldie, VA.

Your support as a sponsor will help the Marine Corps Association Foundation fill the void in programs for the professional development of Marines that are not supported by appropriated (federal government) funds. We support Marines serving today with programs to enhance their military education, professional growth, and recognize their achievements.
